September 16, 2010

Dear Friend and Bayou Patron,

By now we hope you have heard all the good news about Bayou Academy. The capital campaign was a great success, enrollment is up, debt is down, students are excelling and the future looks bright. Bayou Academy is shining in the classroom and on the athletic fields. The physical plant has received and continues to receive some much needed updates and repairs. The addition of two new classrooms is an indication that our growth is providing good opportunities for our children.

The Bayou Academy Foundation is continuing to raise funds for the additional needs and learning opportunities for our school. Now that the Capital Campaign of 2009 has come to a close, our focus has turned to an Annual Giving Fund. We are making this announcement to you now and pledge to continue our work to improve and enhance the education of our students at Bayou Academy. Each year we watch our dreams grow in scope and intensity. We hope that you will be a part of making those dreams come true.

September 1, 2010 is the official date to kick off this new program of giving. We have \$28,000 pledged from the board and staff that sends a strong signal for exciting things ahead.

We thank you for your donations in the past, and hope you will keep us in mind in the future. Please visit us at www.bayouacademy.net.

*Sincerely,
Bayou Academy Foundation*
